Why VORONEZH?

Voronezh is considered the heart of the "Black Earth Region," a rich soiled region in the south of Central Russia.

Voronezh is the main cultural, economic, and educational Centre of the "Black Soil Region" of Russia.

The city is located in 250 miles south of Moscow and easily accessible by overnight train, 5-hour drive or 1-hour flight Moscow-Voronezh. Education, life and accommodation is not as expensive as in Moscow and St. Petersburg, while quality and standard of living are high.

You will see Russia outside the Garden Ring, without the familiar patterns. A stay in our city will help you to take a fresh look at Russia, to better understand our country, to get pleasure from meeting with the heritage of our ancestors.

Voronezh is also the birthplace of many famous Russians, including Ivan Bunin – a writer, the Nobel Prize winner, Andrei Platonov – a writer, playwright, and poet, as well as Ivan Kramskoi – a Great Russian painter and art critic.

The city is located on the Don River, which is one of the largest and most beautiful rivers in Europe. There are many nature reserves, historic and archeological sites in its suburbs. The architectural appearance of Voronezh combines old buildings and modern neighborhoods. There are lots of parks, fountains and flowers in the city.

Today Voronezh is a modern Russian city with a population of over one million people. There are a lot of large entertainment and shopping centres, restaurants and cafes, 5 theatres, fine arts and local history museums, exhibition and concert halls, a well-developed telecommunications network, including modern satellite, cellular and computer communications.

Voronezh is a student city. There are more than 30 higher education institutions. Over the past 35 years, more than 15,000 foreign students from 90 countries were educated at universities of Voronezh.

Teaching staff of Voronezh Institute of High Technologies are highly qualified and have a great experience in dealing with international students.

LOOKING FORWARD TO SEEING YOU IN RUSSIA!
